ALE Mission

- **http://www.tarleton.edu/ale/**

- The mission of ALE is to support the *engagement* of student in applied learning in order to broaden and strengthen *connections between theory and practice* and enhance their *global perspective*.

- The Applied Learning Experience (ALE) areas are
  - Internship/Practicum
  - Leadership
  - Service Learning
  - Study Abroad/Study Away
  - Undergraduate Research/Creative Activity

- With the guidance of faculty and staff, the students participate in the ALE which culminates in a critical reflection articulating the broader impact of these activities and a professional e-portfolio showcasing their efforts.
Student Learning Outcomes (SLOs)

- Students will analyze how this applied learning experience enabled them to apply what they learned from their courses, both in major and core curriculum areas, and from their extracurricular experiences to the real world.

- Students will evaluate how the applied learning experience expanded their views of academic, political, social, cultural, and/or economic environments and prepared them to contribute more meaningfully to a global society.

Incentives

- For faculty and staff, development grants are available
  - May be used for a stipend, student support, supplies, etc.

- For students
  - Those who complete 3 or more ALEs in at least 2 different areas get cords for graduation and a seal for their diploma.
  - CORDS MOTIVATE STUDENTS!!
Distinguishing Features

- ePortfolio – this enables the students to showcase, not just talk about, their undergraduate experience
  - Tarleton adopted the Chalk & Wire tool as a campus ePortfolio tool
  - Some departments use online tools such as Weebly or Wix
  - Beginning in Fall 2016 -> Portfolium

- Reflection
  - “We do not learn from experience...we learn from reflecting on experience.” – John Dewey
  - Enabling students to take a step back and look at their experience through a broader lens
